DR. McLAUGHLAN—Dear Sir: Onecould not imagine the siege of suffering I passed through from stomach trouble and rheumatism. I was subjected to severe drug treatment, stomach pump treatment, and diet treatment, without the least relief. I grew disgusted with them all and as a last resort tried your belt, two years ago. In three days I could fling away my cane, and in three months was a new man, entirely cured, and felt better than I had for years. Several of my friends have since purchased your belts. I would not part with mine for \$1000 ff I could not get another. Yours truly,

Sir:—Rats being the principal agency for the transmission of plague and our exposed situation in relation to other countries that are infected, making it necessary to take every precaution for the preservation of our commerce and internal well being, your committee on the crusade against rats, consisting of Dr. Pratt and myself and by courtesy Dr. L. E. Cofer, of the United States Marine Hospital Service, whose labors and advice have been most valuable, beg to report, that after much labor at last tangible arrangements have been made for the protection of commerce by the united action and guarantee of funds by those most directly interested in shipping, and also ways and means have been provided for warfare on the rodents in the business and residence portions of the city.

By the short sightedness of the late Legislatuze to provide for emergencies of this nature only \$10,000 was allotted.
